

MULTIPAL GENERAL TRADING

Providing the highest Standards of technology & services to our customers around the globe

At Multipal General Trading, our clients are our first and foremost priority. We believe that our solid reputation has paved the way to our long term business relationships.

We are engaged in general trading, sales, marketing and consulting and service for a large of industrial equipments including electronic systems, telecom and vacuum industry and lab apparatus.

We provide first quality products at excellent prices, solutions and services to our clients for their industry and requirements.

MULTIPAL GENERAL TRADING

Providing the highest Standards of technology & services to our customers around the globe

WE BUY AND SELL A WIDE RANGE OF PRODUCTS:

Electronic Systems:

- IT support solutions
- PC and network infrastructure
- Storage
- Security
- Remote network management

European or China products available

Telecom Solutions:

- SMB PBX
- VoIP products
- Voice messaging products

India, China products available

Industrial Power:

- Power Supply Products
- Surge Protection
- Cables and Connectors

Europe, China made

Vacuum Products

- Pumps
- Valves
- Accessories

European and Indian made

Multipal General Trading LLC

MULTIPAL GENERAL TRADING

Providing the highest Standards of technology & services to our customers around the globe

Our products include:

Electronic Systems:

- IT support solutions
 - PC and network infrastructure
 - Storage
 - Security
 - Remote network management
- European or China products available*

Telecom Solutions:

- SMB PBX
 - VoIP products
 - Voice messaging products
- India, China products available*

Optical Devices:

- Monitoring geosystems
 - Construction Theodolites
 - Mining Systems
 - Gyrocompasses
- Swiss, German, Ukraine or Russian made*

Vacuum Products

- Pumps
 - Valves
 - Accessories
- European and Indian made*

MULTIPAL GENERAL TRADING

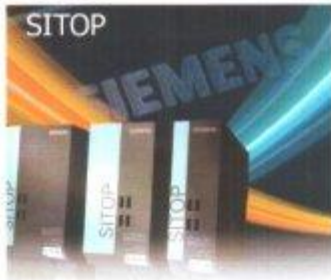

Providing the highest Standards of technology & services to our customers around the globe

SIEMENS

SITOP MODULAR

- Highly Reliable
- High safety level
- Power Boost Function (X3)
- Output voltage 24/48 VDC
- Output current 5-40 A

SITOP SMART

- Slim design
- Power Boost Function (X1.5)
- Output voltage 24/48 VDC
- Output current 2.5-10 A

LOGO! POWER

- Miniature Dimensions
- Highly Reliable
- Output voltage 5/12/24 VDC
- Output current 1.3-6.3 A

SITOP SPECIAL DESIGNS

- Suitable for special installation conditions
- Output voltage 12/15/24 VDC
- Output current 0.375-12 A

Optional Extension Modules – Signaling, Monitoring, Redundancy, Mains Buffering.

TRACO POWER

TSP SERIES:

- Rugged metal case for harsh industrial environments
- ATEX and IECEx certification
- Variable output voltage
- Indefinite short circuit, overvoltage and overtemperature protection
- Output power 78-600W
- Output voltage 12/24/36/48 VDC
- Output current 2.0-25 A

TBL SERIES:

- Fits into flat control panels
- UL 1310 class II, NEC class 2 compliance
- Adjustable Output Voltage
- Short circuit and overload protection
- Output power 12-150W
- Output voltage 5.0/12/24 VDC
- Output current 0.63-10 A

TCL SERIES:

- Ultracompact Plastic Housing
- Output Voltage adjustable
- Overload and Short-Circuit Protection
- Redundancy Module
- Output power 24-120W
- Output voltage 5.1/12/24/48 VDC
- Output current 1-8 A

TIS SERIES:

- Very low ripple and noise
- EMI complies with EN 61000-6-3 and EN 61000-6-4
- Output power 50-600
- Output voltage 12/24/48/72 VDC
- Output current 1.5-24 A

For all products 3 years product warranty

MULTIPAL GENERAL TRADING

Providing the highest Standards of technology & services to our customers around the globe

MeanWell

MDR SERIES:

- Universal AC input / Full range
- Protections: Short circuit / Overload / Over voltage
- Built-in active PFC and over temp. protection (MDR-100)
- Output power 10-100W
- Output voltage 5/12/24/48 VDC
- Output current up to 10 A

DR SERIES:

- Universal AC input / Full range
- Protections: Short circuit / Overload / Over voltage
- Suitable for building automation and control of household appliance
- Output power 15-100W
- Output voltage 5/12/15/24 VDC
- Output current up to 6.5 A

DR/DRP SERIES:

- Universal AC input / Full range (DR-45/75, DRP-240), AC input selectable by switch (DR-120, DRP-480S), AC input 180~264VAC only (DRP-480)
- Protections: Short circuit / Overload / Over voltage / Over temperature
- Output power 25-480 W
- Output voltage 5/12/15/24/48 VDC
- Output current up to 20 A

WDR SERIES:

- Wide input range 180~550VAC
- Protections: Short circuit / Overload / Over voltage / Over temperature
- Built-in constant current limiting circuit
- Output power 120-480 W
- Output voltage 12/24/48 VDC
- Output current up to 20 A

SDR SERIES

- High efficiency up to 94% (SDR-240/480)
- Universal AC input / Full range
- Protections: Short circuit / Overload / Over voltage / Over temperature
- 150% peak load capability
- Output power 120-480W
- Output voltage 12/24/48 VDC
- Output current up to 20 A

For all products 3 years product warranty

COTEK

DIN RAIL

- Output power 10-100W
- Output voltage 12/15/24/48 VDC
- Output current 0.4-8 A

SINGLE OUTPUT

- Output power 25-150W
- Output voltage 3.3-48 VDC
- Output current 0.5-45 A

SINGLE OUTPUT WITH PFC

- Output power 75-3000W
- Output voltage 5/12/24/48 VDC
- Output current 1.5-250 A
