Iridescent Film

Self Adhesive Book

Cover Film

Also Pallet Wrap &

Bubble Wrap

Clear Film Rolls (500mm, 600mm & 800mm wide) - high clarity, glossy premium grade clear polypropylene films used for art & craft, book and food covering, basket and gift wrapping, floristry, packaging. Recyclable in most areas and a more resilient alternative to cellophane.

Cellophane Rolls (500mm wide) - a fully biodegradable, luxurious, real cellulose film in seven rich colours and clear. This product has many uses and known for its dead-fold and twist characteristics. Available on **rolls, A4 sheet packs** and **shredded (both small bags & large bales available)**

Printed Film Rolls (600mm wide) - premium polypropylene films available in a variety of stock and bespoke pattern designs to add a touch of luxury to any gifts, art & craft projects, flowers, toiletries, cards and much more. 'Angel' film exclusive to Film Products Ltd.

Metallised Rolls (500mm wide) - a premium polypropylene film which has been metallised and printed one side to give a luxurious satin gloss effect. Also **Iridescent film** with a pinky pearlescent effect.

Book Covering Film Rolls (500mm & 330mm widths) - clear, self-adhesive and repositionable 50 micron film on release paper printed in squares for accurate sizing.

PALLET WRAP, BUBBLE WRAP & SHEETED FILMS AVAILABLE

*Film rolls supplied on white craft tubes, wrapped in clear film, labelled and cut to **any length!** Sheet sizes available.*
