Terms of Aophen

Samples Policy

Aophen willing to supply one or two Pair free samples to all of our customers for checking the quality, but we hope they can share the freight before they place the first order to Aophen. Also, we would collect samples fee if they require more samples.

Minimum Order Quantity

Aophen can accept small order quantity, even one pair, but please notice that the prices of small order would be a little higher than the order with great of quantity.

Payment Terms

Aophen advise all of our customer use T/T(Telegraphic Transfer) to do business with us, but for amount more than US\$30,000 we also accept L/C, or if the amount less than US\$1,000 we can accept PAYPAL.

Delivery Terms

Aophen have good business cooperation with DHL, so we can get best prices from them, so for small order, we transport the goods through DHL generally.

Of course, for big order, Reliable forwarders/ fast vessels are available; you also can specify your own forwarders by providing following information: Company name, Contact person, Telephone number, Fax numbers and E-mail address.

OEM Terms

Aophen willing to make new moulds with free for all of our customers, or collect the moulds fee first and then deduct it from the payment when they place the order
