**COMPANY EQUIPMENT**

<b>Description</b>	
Electrical Generators sets	
Cranes	
Bulldozers	
Portable Lighting System	
A vehicles for oil & fuel transportation	
Low Loader	
Forklifts	
Graders	
Dumpers	
Paving Truck	
Roller	
Tankers	
Containers	
Excavators	
Truck Mixers	
Shovels	
Concrete Batching Plant	<b>Testing Equipment</b>
Oxy – Acetylene machines	Maggers
Mechanical Cutters	OVO- meters
Compressors	Dummy Load Bank

**COMPANY SPECIALTIES**

Construction & Renovation

Construction Materials

Maintenance & Services

T-Wall, Barriers & Guard  
Tower

Force Protection

Services

Metal & Steel Works

Air Conditions

Mechanical Works

Furniture

Paving

Computers Hardware

Shower trailer, Portable  
Latrines and life trailer

**PAST PERFORMANCE**

Type of Project
Construction of two Concrete Slabs
Construction of three of sandwiches panel structures, concrete slabs, one of sunshade metal structure with all accessories such electrical, tiles grounding and other
Installation of PVC pipe, tank, and pump
Construction and install stadium-style bleacher seating
Construction and installation of furniture system and rooms
Construction and installation Mezzanine Platforms
Construction and installation of security lighting
Renovation and construction building
Renovation and construction building
Construction and installation of sidewalk
Construction and installation of concrete slab
Fabricate and installation of shower/ toilet trailer
Fabricate of metal containers
Supply and install of generators 750kVA. QTY/2 Supply and install push package for generators. Supply and install Fuel tank 5000liter. Supply and install Concrete pad and cage. Supply and install distribution panel board Providing of maintenance services
Supply and install of generator 1250kVA. QTY/1 Supply and install push package for generators. Supply and install distribution panel board Providing of maintenance services
Provide and Install (20,000) Liter Plastic tank. Provide and Install all PVC Pipes for non potable water. Labor for installation. Provide and Install 2HP water Pump w/ Control Box and wiring. Transportation Cost.
Supply of Gravel: 1-inch minus crushed (angular). FOB Hammer QTY/ 9000cumt
Black/Gray Water Removal Potable Water Delivery Service of Portable Latrines
Installation of Concrete Maintenance Pad
Supply and install of generators 500kW. QTY/2 Supply and install Fuel tank 10,000 liter. QTY/2 Supply and install Concrete pad and cage. Providing of maintenance services
Supply and install airconditioner QTY/40 Providing of maintenance services
Generator maintenance services
