Established in 1995, Monalisa (China) Sanitary Ware Co., Ltd. is the founder of "Monalisa" brand sanitary bathtubs, covering an area of 15,000 square meters and with a batch of experienced and ambitiously vigorous staff members. We are devoted to the development, exploitation and production of sanitation bathtubs and health-friendly products.

We enjoy a history of 10 years during which we pioneer an enterprise with painstaking efforts, and now we, thoroughly steeled or tempered, still persist in pursuing the principle of "to do business with integrity, to achieve excellence and innovation" by taking great pains over difficulties and striding forward with unremitting efforts. Our company sticks to the corporate cultural theme with emphasis on the awareness of famous brands, further innovation in science and technology and resolutely establishing our brand as the most competitive brand in the health-friendly bathtub and ware industry.

We lay great stress on brand consciousness, quality consciousness and service consciousness, which are now infiltrating every procedure of production, management and operation, thus rendering best quality products to the society and our customers. In cooperation with partners, we stand fast at the principle of "to treat people with sincerity, perform duties or do business with integrity and conduct ourselves in a deliberate way". Our company has developed by leaps and bounds and has become more prosperous every day.

Now, We have established solid relationships with customers in Europe, America, the Middle East and Southeast Asia, in addition thirty-odd provinces, municipalities and autonomous regions in China. Currently, we are a member of the Equipment Supply Committee of the Chinese Swimming Association, a member of the China Architectural Association and a director of Guangdong Building Decoration Association.

Working in line with the business principle of achieving mutual benefits with clients, we welcome customers around the world to contact us for more details. We look forward to cooperating with you in the near future.
